By placing a Wire Transfer with Coast360 Federal Credit Union (hereafter "We", "Us", "Coast360" or "Financial Institution") you agree to the following terms and conditions. This agreement and notice applies to the funds transfer as defined in this Article 4A of the Uniform Commercial Code ("UCC Article 4A") and as covered by Regulation J of the Board of Governors of the Federal Reserve System ("Regulation J").

UCC Article 4A and Regulation J establish a comprehensive legal framework covering the duties, responsibilities and liabilities of all parties involved in a funds transfer. This agreement contains several notices, which we are required to provide to you as well as other terms of agreement, which will apply to all wire transfers involving you and Coast360. Using Coast360 to send Wire Transfers shall constitute your acceptance of these terms of agreement.

Service Description / Definitions: Coast360 offers a wire transfer service which enables members to transfer funds by wire from specific member account(s) at Coast360 to any other account(s) specified by the member, whether such accounts are at Coast360 or another financial institution. A member can establish a wire transfer in person, in writing, or through Coast360 Online. The party whom the member is transferring the funds to is the "Beneficiary." The financial institution at which the Beneficiary maintains the account to which the funds are being transferred or the financial institution disbursing the funds to the Beneficiary is the "Receiving Financial Institution." The entire series of transactions commencing with the request for a Wire Transfer by the member, up until and including the payment to the Beneficiary shall be referred to as a "wire transfer."

Cutoff Times / Execution by Coast360: From time to time, Coast360 may establish or change cutoff times for the receipt and processing of wire transfer requests. The cutoff time is at 2:00pm (ChST) Monday through Friday. International wire requests will not be accepted after 2:00pm on Saturdays or after 2:00pm on any weekday preceding a holiday.

Authorized Charges: Coast360 may charge your account(s) for: 1) the amount of any funds transfer initiated by you or any person authorized by you as a joint owner or authorized party with the right of access to your account from which the funds transfer is to be made; 2) any Wire Transfer Fees; and/or 3) any additional applicable fees for wire transfers set forth in Coast360's Fee Schedule, which are subject to change from time to time at the discretion of Coast360.

Inconsistencies between Name and Account Number: If you provide Coast360 a Wire Transfer Authorization which identifies the beneficiary by both name and identifying account number, payment may be made by the receiving institution on the basis of the identifying account number, even if the number identifies a person different than the named beneficiary. This means that you will be responsible if the wire transfer is completed on the basis of the account number you provided. If you provide Coast360 a Wire Transfer Authorization which identifies the intermediary or beneficiary's financial institution by both names and an identifying number, a receiving institution may rely on the number as proper identification even if it identifies a different entity than the named institution. This means you will be responsible for any loss of expenses incurred by a receiving institution which executes or attempts to execute the wire transfer in reliance on the identifying number you provided.

Duty of Ordinary Care: In executing any wire transfer, Coast360 may use the service of an intermediary financial institution. We use ordinary care in the selection of a financial institution in the transmission of the message and funds; however once the funds have been given to the designated institution, they become their property. It becomes their responsibility to locate, identify and make payment to your beneficiary. The receiving institution may deduct certain service charges from the amount sent.

Rejection of Funds Transfer/Liability of Coast360: Coast360 reserves the right to reject your Wire Transfer Authorization. Coast360 may reject your request if you have insufficient funds in your account, if your request is incomplete or unclear, or if we are unable to fulfill your request for any other reason. While we handle your Wire Transfer Authorization as expeditiously as possible, you agree that Coast360 will not be responsible for delay or failure to execute your request due to circumstances beyond our reasonable control, including and without limitation, any inaccuracy, interruption, delay in transmission; or failure in the means of transmission, whether caused by strike, power failure, equipment malfunction or acts or omissions of any intermediary institution or recipient financial institution. Coast360 makes no warranties, expressed or implied, with respect to any matter covered under this disclosure.

Errors / Delays: Coast360 notifies you of the wire transfers by listing it as a line entry on your account statement. You agree that within sixty (60) days after you receive notification that your Wire Transfer Authorization had been executed, you will notify us in writing of any errors, delays or other problems related to your authorization. In the event that it is determined that your Wire Transfer Authorization is delayed or erroneously executed and you suffer a loss as a result of Coast360's error for which it is responsible, Coast360's sole obligation to you is to pay or refund such amounts as may be required by applicable law.

If Coast360 becomes obligated under Article 4A to pay interest to you, you agree that the rate of interest to be paid shall be equal to the dividend rate on a daily basis, applicable to the account at Coast360 to which the funds transfer should have been made or from which the funds transfer was made.

Execution of Funds Transfers: Members who utilize Wire Transfer Authorization must supply all required information to complete the transfer. The wire transfer will be initiated on the day specified within the set cutoff times and will be expedited accordingly, unless the Wire Transfer Authorization is received after the 2:00pm (ChST) cutoff time or if the day specified falls on a weekend, holiday; or if Coast360 or the Federal Reserve Bank is closed for business.

Cancellation of Wire Transfer Authorization: If you ask Coast360 to amend or cancel your Wire Transfer Authorization, we may make a reasonable effort to act on your request. Coast360 will not be liable to you if, for any reason, this authorization is not amended or cancelled. You agree to reimburse Coast360 for any costs, losses, or damages that we incur in connection with your request to amend or cancel your Wire Transfer Authorization. If Coast360 tries to cancel this Wire Transfer Authorization, Coast360 has no obligation to refund your money until Coast360 determines that the beneficiary has not received the money and the money has been returned to us. Should Coast360 return your money, the refund may not be equal to the amount of the original Wire Transfer Authorization. The amount may vary due to charges another financial institution may impose to return the wire transfer.

Waiver, Severability and Captions: Coast360 may delay exercising its rights without losing them. Any waiver or partial exercise of one's right is not a waiver of other rights and shall not be deemed a continuing waiver. If any provision of this agreement is held invalid or unenforceable to any extent, the remainder of this agreement shall not be impaired or otherwise affected. The captions herein are for convenience only and shall have no effect upon construction or interpretation of any provision hereof.

Termination: Coast360 may terminate this agreement immediately at any time upon telephone or email notification to the member if: 1) Coast360 reasonably deems itself insecure, 2) member has breached this agreement; or 3) Coast360 becomes aware of information which may indicate illegal or improper transactions.

Choice of Law / Venue: The rights, duties and liabilities of parties to this agreement shall be subject to: 1) Regulation J (as applicable); and 2) UCC Article 4A as in effect in Guam and as amended there from time to time. Member irrevocably submits to the jurisdiction of any court in Guam and agrees that in any action brought hereunder venue shall be placed in such and that member will not claim that such forum is inconvenient.

Security Precautions: When a Wire Transfer Authorization is issued by a member, Coast360's security procedure may involve use of identification methods that may include photo identification requirement, signature verification, data/password verification, use of a personal identification number, and/or callback procedure by Coast360. In certain situations, some or all of the above may be required. You agree that the security procedures established hereunder are commercially reasonable and you agree to comply in all respects with such procedures.

International Wire Pre-Payment Disclosure

By submitting an International Wire Transfer order, you hereby acknowledge that you are the account holder eligible to execute this agreement and that you are responsible for the accuracy of the recipient information provided.

1. You understand that if this transfer is returned by the Recipient Institution, the amount re-credited to your account may be different due to the application of exchange rates or fees charged by the Recipient's bank and foreign taxes. You understand that this transfer may be delayed and that Coast360 is not responsible for conditions beyond their control. You certify that this transfer does not violate the laws of the United States of America.
2. You agree to indemnify and hold Coast360 harmless from all liability, claims, losses, damages, costs, and expenses, including Attorney Fees, arising out of or resulting from the transfer herein requested. This authorization will remain in effect until Coast360 has received written notification from you of its termination, in such time and in such manner as to afford Coast360 reasonable opportunity to act on that notice.
3. Coast360 reserves the right to terminate this agreement at any time.
4. Time of deposit may vary by bank. Date available refers to the latest date on which the funds should be available to Recipient. In certain countries or at certain banks due to local practices in crediting Recipient bank accounts, or due to other factors beyond our control, the date available reflects that delivery may take longer in these circumstances. However, in most cases, funds are available sooner.
5. It is **NOT advisable** to send foreign currency to a U.S. Dollar account in a foreign country. If the recipient has a U.S. dollar account in the foreign country, the payment may either be rejected OR subjected to another conversion rate prior to delivery, both of which will result in financial losses. Recipient may receive less due to fees charged by the Recipient's bank and foreign taxes.

By submitting this order, you acknowledge that you have received, understood, and accept the above disclosures of this order.
